Our Mission

Increase self confidence in every student's personal and professional life through effective speaking and presentation skills

We focus on good leadership values like self- discipline, team work, effective verbal & writing skills, creativity, responsibility, fairness, time management, sportsmanship, penmanship, critical thinking, respect and most importantly CONFIDENCE!

Our students will learn powerful tools to help with leadership roles, giving effective and persuasive presentations, speeches, admittance in famous universities such as UC Berkeley, Harvard, Stanford and others, as well as job interviews!

Embrace the Common Core State Standards Philosophy and help students with both effective speaking and listening skills
